A REVOLUTION  
IN PROGRESSIVE LENSES

**Want to forget you wear eyeglasses?**

Essilor created Varilux series lenses for you. From the moment you put them on, you will experience great vision, enjoy perfect images and enhanced visual comfort.

Distortions  
significantly reduced

Perfect  
Image

Easy  
Adaptation

Image distortion is the main problem in standard progressive lenses. It requires much effort of your eyes and rules out instant comfort.

Standard progressive lenses

VARILUX<sup>®</sup> series

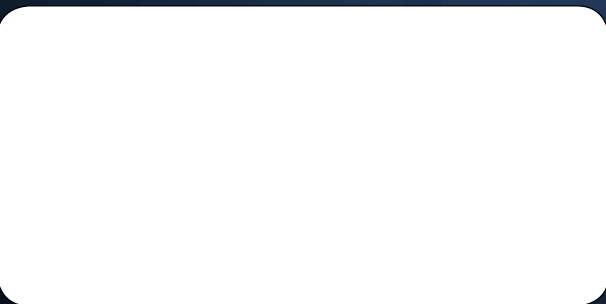

This is why Varilux researchers developed this revolutionary patented new line of lenses, Varilux series, which significantly reduces distortion so you can enjoy wearing your new glasses immediately.
